Subject:- Grant to the Mysore Government Mental Hospital, Bangalore for purchase of European medicines for treatment of the mental patients belonging to the Civil and Military Station.

Sir,

K.D. 595/39
S.N. 1
Cp. 1 (M)

With reference to your letter No.F.621 (1)-37/G&A., dated 20th September 1939, on the above subject, I am directed to state that the pro-rata charges included at present in the quarterly bills pertain to the cost of patent medicines purchased for all patients and that special drugs purchased solely for the patients of the Civil and Military Station will have to be shown as a distinct and new item of charge.

The British Official Year 1939-40 ends on 31st March 1940. As we have not purchased special medicines so far, any expenditure that may be incurred by us in future will have to be recovered from the Residency out of the grant for 1940-41.

In the circumstances, I am to enquire whether a similar provision will be made in the budgets of future years also. On receipt of this information, the Superintendent of the Government Mental Hospital will be authorised to incur expenditure from year to year upto the limit permitted by the budget provision.

I have the honour to be,
Sir,
Your most obedient servant,

C. S. Srinivasa Rao
